BOP PRESSURE CONTROL PRODUCTS

Freudenberg Oil & Gas Technologies is a global solutions provider of innovative seal solutions and differentiated seal products to the global oil and gas industry. Our continuous dedication to innovation and excellence offers our customers a clear competitive advantage.

Freudenberg Oil & Gas Technologies utilizes engineered designs, advanced manufacturing, product and material testing, material development, prototyping and custom molding and machining of specialized elastomers and high-performance plastics to provide our customers with robust products for applications in coiled tubing, wireline and surface BOPs.

Our BOP Pressure Control capabilities include:

- Shaffer-style Spherical & Hydril-style GK Elements
- Top Seals & Bonnet Seals
- Stripper Rubbers
- Shear Packers
- Ram Packers
- Seal Kits
- Stripper Packers
- Complete Repair Kits
